

Naturland®

PRODUCT CATALOG

Good health is every person's greatest asset.

BABY & MOM

BABY BOTTOM CREAM

DESCRIPTION

Provides a protective barrier that prevents diaper rash by blocking moisture in the nappies from the baby's skin. Helps to prevent skin redness.

DIRECTIONS

Apply a thin layer to cleansed, dry skin. Can be applied several times a day as needed.

ACTIVE INGREDIENTS

Ricinus Communis Seed Oil (Castor oil), Zinc Oxide, Lanolin

VARIATION

100% Natural version is also available.

Cosmetics

50 ml/100 ml

CALENDULA BABY CREAM

DESCRIPTION

Skin care product for infants, children and adults. Its components resupply the fat and moisture lost due to external factors, making the skin soft, flexible and smooth.

DIRECTIONS

Gently rub the cream into the skin. Can be used after changing nappies, bathing or tanning. Apply several times a day.

ACTIVE INGREDIENTS

Calendula Officinalis Flower Extract (Calendula flower extract), Chamomilla Recutiita Flower Extract (Camomile flower extract), Helianthus Annuus Seed Oil (Sunflower oil)

Cosmetics

50 ml/100 ml

MOM-TO-BE CREAM

DESCRIPTION

The active ingredients of the cream nourish, moisturize and improve the elasticity of the skin and protect from harmful environmental effects. Recommended for stretch marks during pregnancy and after birth.

DIRECTIONS

Massage the cream into desired area of cleansed skin with circular motion. Apply twice daily.

ACTIVE INGREDIENTS

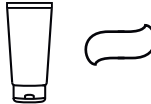

Cocos Nucifera Oil (Coconut oil), Zea Mays Germ Oil (Maize germ oil), Butyrospermum Parkii Butter (Shea butter), Tocopherol (Vitamin E)

VARIATION

100% Natural version is also available.

Cosmetics

50 ml/100 ml

ACTIVE INGREDIENTS

Aluminum Chlorohydrate, Menthol, Ruscus Aculeatus Root Extract (Butcher's Broom root extract), Aesculus Hippocastanum Seed Extract (Horse Chestnut extract), Vitis Vinifera Leaf Extract (Grape leaf extract), Hamamelis Virginiana Leaf Extract (Witch Hazel leaf extract)

Cosmetics
100 ml

FOOT CARE

'the next step in nourishment'

CORN REMOVAL BALM

DESCRIPTION

For removing corns and calluses.

DIRECTIONS

Removing calluses: apply the balm and let it rest for 20 to 30 minutes. Removing corns: apply the balm twice daily for about a week until the corn can be removed.

ACTIVE INGREDIENTS

Lanolin, Salicylic Acid, Lactic Acid

Cosmetics

20 g

FOOT CARE ACTIVE GEL

DESCRIPTION

Its main ingredient is horse chestnut extract which rejuvenates tired legs, refreshes and vitalizes the skin. It might help reduce the risk of developing edemas and circulatory problems. Recommended for the care of the skin areas of varicose and spider veins. The gel has refreshing and vitalizing effect.

DIRECTIONS

Apply the cream in a thin layer on the tired legs and massage it into your skin. For a refreshing foot wrap, apply a thicker layer on the skin.

ACTIVE INGREDIENTS

Aesculus Hippocastanum Seed Extract (Horse Chestnut extract), Allantoin

Cosmetics

50 ml/100 ml

FOOT CARE CREAM

DESCRIPTION

For daily foot care, prevention of calluses and cracked heels. Its active ingredients speed up skin regeneration and keep the skin soft.

DIRECTIONS

Apply to cleansed skin and gently massage in. Use multiple times a day as needed.

ACTIVE INGREDIENTS

Glycerin, Lecithin, Citric Acid

Cosmetics

50 ml/100 ml

FOOT CARE

'the next step in nourishment'

HEEL CARE BALM

DESCRIPTION

Regular use of the balm aids the skin's natural renewal process and prevents cracked heels. The balm softens and hydrates dry, thickened and cracked skin on the heel. Also ideal for dry elbows and knees.

DIRECTIONS

Apply in the mornings and evenings to cleansed skin in a thin layer and gently massage in.

ACTIVE INGREDIENTS

Urea, Lanolin, Chamomilla Recutita Flower Extract (Camomile flower extract), Melaleuca Alternifolia Leaf Oil (Tea tree essential oil)

Cosmetics

50 ml/100 ml

HORSE CHESTNUT CREAM FORTE

DESCRIPTION

The herbal extracts of the cream are rich in anthocyanins, flavonoids and saponins which aid the skin's natural microcirculation. The cream also has a positive impact on the elasticity of skin and reduces the 'heavy leg' feeling. Everyday usage calms symptoms associated with spider and varicose veins.

DIRECTIONS

After cleansing, massage the cream into skin with gentle circular movements.

ACTIVE INGREDIENTS

Ruscus Aculeatus Root Extract (Butcher's Broom extract), Aesculus Hippocastanum Seed Extract (Horse Chestnut extract), Vitis Vinifera Leaf Extract (Grape leaf extract), Hamamelis Virginiana Leaf Extract (Witch Hazel leaf extract), Calendula Officinalis Flower Extract (Calendula flower extract)

Cosmetics

50 ml/100 ml

HORSE CHESTNUT CREAM FORTE PLUS

DESCRIPTION

The anthocyanin, flavonoid and saponin active ingredients in herbal extracts enhance the microcirculation of the skin, they favor the elasticity of the skin's surface blood vessels and help to reduce the feeling of 'heavy leg'.

DIRECTIONS

After cleansing, massage the cream into skin with gentle circular movements.

ACTIVE INGREDIENTS

Rutin, Ruscus Aculeatus Root Extract (Butcher's Broom Extract), Aesculus Hippocastanum Seed Extract (Horse Chestnut extract), Vitis Vinifera Leaf Extract (Grape leaf extract), Hamamelis Virginiana Leaf Extract (Witch Hazel leaf extract), Calendula Officinalis Flower Extract (Calendula flower extract)

Cosmetics

50 ml/100 ml

HAIR CARE

HERBAL SWEDISH BITTER HAIR LOTION

DESCRIPTION

The mixture of herbal extracts stimulates blood-supply of the scalp, strengthens hair roots, decreases and regulates excessive sebaceous gland function. Helps regenerate hair follicles and ensure normal functioning of the scalp.

DIRECTIONS

Rub the lotion into the wet hair and scalp, then wash in the usual way. Before the final rinse, leave on the scalp for 5 minutes, then rinse. Can be used on dry hair as well, just rub into the scalp and dry it.

ACTIVE INGREDIENT

Naturland Swedish Bitter Extract (combination of 28 carefully selected herbs)

Cosmetics
200 ml

HERBAL SWEDISH BITTER SHAMPOO

DESCRIPTION

Effectively nourishes and cleanses the hair. Regular use of the shampoo makes the hair shinier, softer and easier to comb. Helps to reduce the damaging effects of different hair treatments.

DIRECTIONS

Rub the shampoo into the wet hair and scalp then wash in the usual way. Leave on the scalp for 3-5 minutes, then rinse.

ACTIVE INGREDIENT

Naturland Swedish Bitter Extract (combination of 28 carefully selected herbs)

Cosmetics
200 ml

NETTLE LEAF SHAMPOO

DESCRIPTION

Recommended for everyday hair care and in case of hair loss or greasy hair. The active ingredients of nettle nourish blood vessels and the scalp, promote natural hair growth. With its gentle cleaning effect and pleasantly mild fragrance, it refreshes the hair and scalp.

DIRECTIONS

Rub the shampoo into wet hair and scalp, then wash in the usual way. Leave on the scalp for 3-5 minutes, then rinse.

ACTIVE INGREDIENT

Urtica Dioica Leaf Extract (Nettle leaf extract)

Cosmetics
200 ml

A background image of a lavender field with soft, warm sunlight filtering through the flowers, creating a bokeh effect. A white rectangular box with a thin black border is centered in the middle of the image.

HAND CARE

HAND CARE

'handful protection'

HAND BALM WITH CALENDULA EXTRACT

DESCRIPTION

Care of dry and sensitive skin with nourishing Vitamin A from natural source. Thanks to the active ingredients of the balm, it helps replenish fatty substances of the skin and restore its hydration. Contributes to the regeneration of cracked skin caused by physical activity and environmental effects.

DIRECTIONS

Apply on the skin and gently massage into it. Use multiple times a day as needed.

ACTIVE INGREDIENTS

Chamomilla Recutita Flower Extract (Camomile flower extract), Calendula Officinalis Flower Extract (Calendula flower extract), Helianthus Annuus Seed Oil (Sunflower oil)

Cosmetics
50 ml

Paramedicines

50 ml/100 ml

A close-up photograph of fresh aloe vera slices and leaves. The slices are stacked on the left, showing the clear, gel-like interior. The leaves on the right are covered in water droplets, suggesting freshness. The background is a soft, out-of-focus green.

SKIN CARE

100% NATURAL COCOA BUTTER CREAM

DESCRIPTION

The plant oils and butters have protecting, moisturizing and skin soothing effects, nourish dry skin with skin-friendly ingredients and has excellent softening effect. For all skin types and ages.

DIRECTIONS

Gently rub and smear the cream into cleansed skin. Can be used several times daily if necessary. It can also be applied to tired and sensitive skin exposed to environmental damages, sunburn or tanning.

ACTIVE INGREDIENTS

Theobroma Cacao Seed Butter (Cocoa butter), Butyrospermum Parkii Butter (Shea butter), Helianthus Annuus Seed Oil (Sunflower oil)

Cosmetics
50 ml/100 ml

AFTER BITE CREAM

DESCRIPTION

The active ingredient of the cream relieves itching caused by bites or stings of various kinds of insects or nettle stings. It helps prevent redness and swelling of the skin. Especially beneficial for children to help prevent them from scratching.

DIRECTIONS

Apply the cream on the affected skin area right after an insect bite or skin rash, massage it into the skin until it is fully absorbed. Reapply when itching appears again.

ACTIVE INGREDIENT

Calendula Officinalis Flower Extract (Calendula flower extract)

Cosmetics
50 ml/100 ml

ALOE VERA GEL

DESCRIPTION

The gel helps moisturize and hydrate the skin. Daily use of the gel contributes to natural regeneration of skin. Recommended to use after swimming and sunbathing.

DIRECTIONS

Spread the gel in a thin layer on your skin and gently massage into it.

ACTIVE INGREDIENTS

Aloe Barbadensis Leaf Extract (Aloe Vera extract), Glycerin

Cosmetics
50 ml/100 ml

SKIN CARE
'happy skin'

CALENDULA CREAM

DESCRIPTION

Care of dry skin with nourishing natural plant oils and extracts. Due to the active ingredients the cream helps replenish fatty substances of the skin and restore hydration.

DIRECTIONS

Apply the cream in a thin layer to the cleansed, affected area and its surroundings 2-3 times daily. Massage gently until fully absorbed.

ACTIVE INGREDIENTS

Olus Oil (Vegetable oil), Calendula Officinalis Flower Extract (Calendula flower extract), Chamomilla Recutita Flower Extract (Chamomile flower extract), Butyrospermum Parkii Butter (Shea butter), Helianthus Annuus Seed Oil (Sunflower seed oil)

Cosmetics
50 ml/100 ml

OINTMENT FOR BURNS & SKIN INJURIES

DESCRIPTION

For the treatment of minor burn injuries. Pleasantly cools the injured surface and prevents the bandage from sticking to the wound. Also helps reduce pain when removing bandage from a wound that has been surgically treated but is still oozing.

DIRECTIONS

In case of minor (I or II/a degree) burns, apply ointment in a thin layer on injured surface and cover with an antiseptic gauze pad.

ACTIVE INGREDIENTS

Gadi Lecur Oil (Cod liver oil, Type B), Camphor, Menthol (Levomenthol), Thymus Vulgaris Extract (Tincture Thyme)

Paramedicines
20 g

PROPOLIS BALM

DESCRIPTION

The balm's most important component is propolis which contains essential oils, Vitamin B1, B2, B6, C and E, amino acids, and minerals. The balm's carefully selected, natural active ingredients ensure optimal skin hydration, nourishment and protection.

DIRECTIONS

Apply a small amount of balm to the skin and gently massage until it is completely absorbed.

ACTIVE INGREDIENTS

Propolis Extract, Chamomilla Recutita Flower Extract (Chamomile flower extract), Allantoin

Cosmetics
50 ml/100 ml

SPORTS

ICE GEL

DESCRIPTION

Easily absorbing gel with camphor and menthol. Due to the active ingredients, it stimulates blood circulation and provides a cooling, refreshing effect on the skin. Can be used after sports and demanding physical work for refreshing and massaging the tired skin.

DIRECTIONS

Apply a thin layer of gel, and gently massage into the skin.

ACTIVE INGREDIENTS

Camphor, Menthol

Cosmetics
50 ml/100 ml

ICE GEL FORTE

DESCRIPTION

Due to the increased amount of menthol and camphor, it provides an even more intense cooling effect on the skin. Can be used after sports and demanding physical work for refreshing and massaging the tired skin.

DIRECTIONS

Apply a thin layer of gel, and gently massage into the skin.

ACTIVE INGREDIENTS

Camphor, Menthol

Cosmetics
50 ml/100 ml

SPORTS CREAM

DESCRIPTION

Recommended to use in case of increased muscle strain caused by sports or arduous physical activity. Suitable for massaging the tired muscles.

DIRECTIONS

Apply to body parts exposed to increased strain in a thin layer and gently rub into skin.

ACTIVE INGREDIENTS

Camphor, Menthol, Eucalyptus Globulus Leaf Oil (Eucalyptus essential oil), Rosmarinus Officinalis Leaf Oil (Rosemary essential oil)

Cosmetics
50 ml/100 ml

MUSCLE & JOINT CARE

MUSCLE & JOINT CARE

'stronger than pain'

ARNICA ACTIVE GEL

DESCRIPTION

The active ingredients of the gel might help reduce swelling and haematomas caused by closed wounds and soothe the unpleasant effect of insect bites or stings. Also recommended as complementary help for nursing muscle and joint pains for skin care purposes.

DIRECTIONS

Apply the gel on the affected, cleansed skin area and massage gently until absorbed. Use 1-2 times daily, for a maximum of 4-6 weeks.

ACTIVE INGREDIENTS

Symphytum Officinale Root Extract (Comfrey root extract), Arnica Montana Flower Extract, Rosmarinus Officinalis Leaf Oil (Rosemary essential oil)

Cosmetics
50 ml/100 ml

ARNICA CREAM

DESCRIPTION

For treatment of various closed wounds resulting from accidents or sports activities (bruises, strains, dislocations), reduces inflammatory conditions of the skin and decreases healing time of haematomas. Suitable for soothing or eliminating symptoms of insect bites.

DIRECTIONS

Thoroughly cleanse surface to be treated. Apply a thin layer and gently rub into the skin 2-3 times daily.

ACTIVE INGREDIENTS

Arnica Montana Flower Extract, Calendula Officinalis Flower Extract (Calendula flower extract), Chamomilla Recutita Flower Extract (Camomile flower extract)

Paramedicines
50 ml/100 ml

COMFREY & ARNICA CREAM

DESCRIPTION

Traditional European herbal product using extracts of comfrey root and arnica blossom. Its active ingredients might help eliminate haematomas, inflammations and edemas caused by bruises, strains and sports injuries. Recommended for skin care purposes.

DIRECTIONS

Apply a thin layer on cleansed skin surface and gently rub into skin. Apply 1-2 times daily, for a maximum of 4-6 weeks per year.

ACTIVE INGREDIENTS

Symphytum Officinale Root Extract (Comfrey root extract), Arnica Montana Flower Extract

Cosmetics
50 ml/100 ml

MUSCLE & JOINT CARE

'stronger than pain'

COMFREY CREAM

DESCRIPTION

Can be used to soothe the unpleasant effect of sprains, strains, contusions, pulled muscles and ligaments, closed wounds and sports injuries, as well as swelling and haematoma, local dermatitis, and phlebitis. For skin care purposes.

DIRECTIONS

Apply a thin layer on freshly cleansed skin and gently rub until absorbed. Apply up to twice daily.

ACTIVE INGREDIENTS
