Where Electronics Becomes Alive

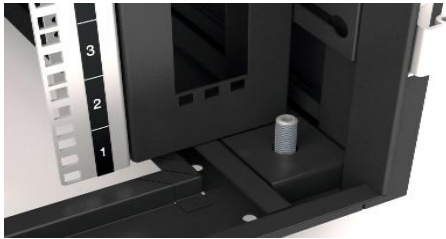

Products and Services

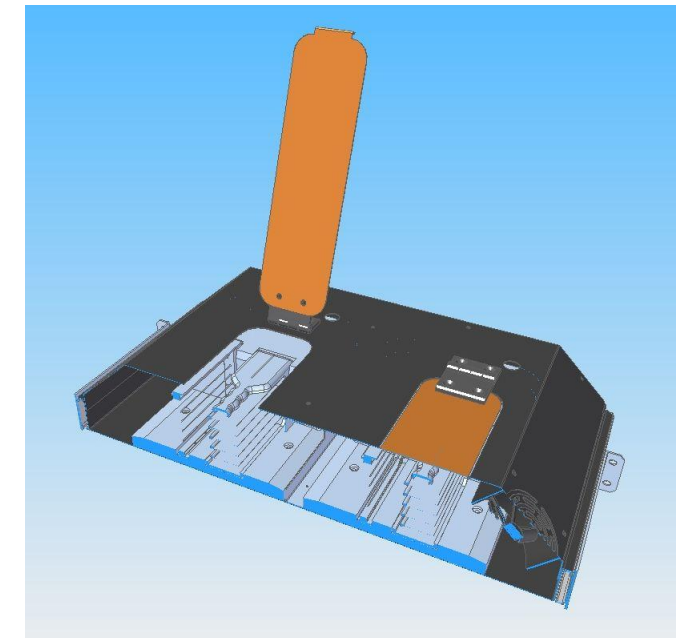

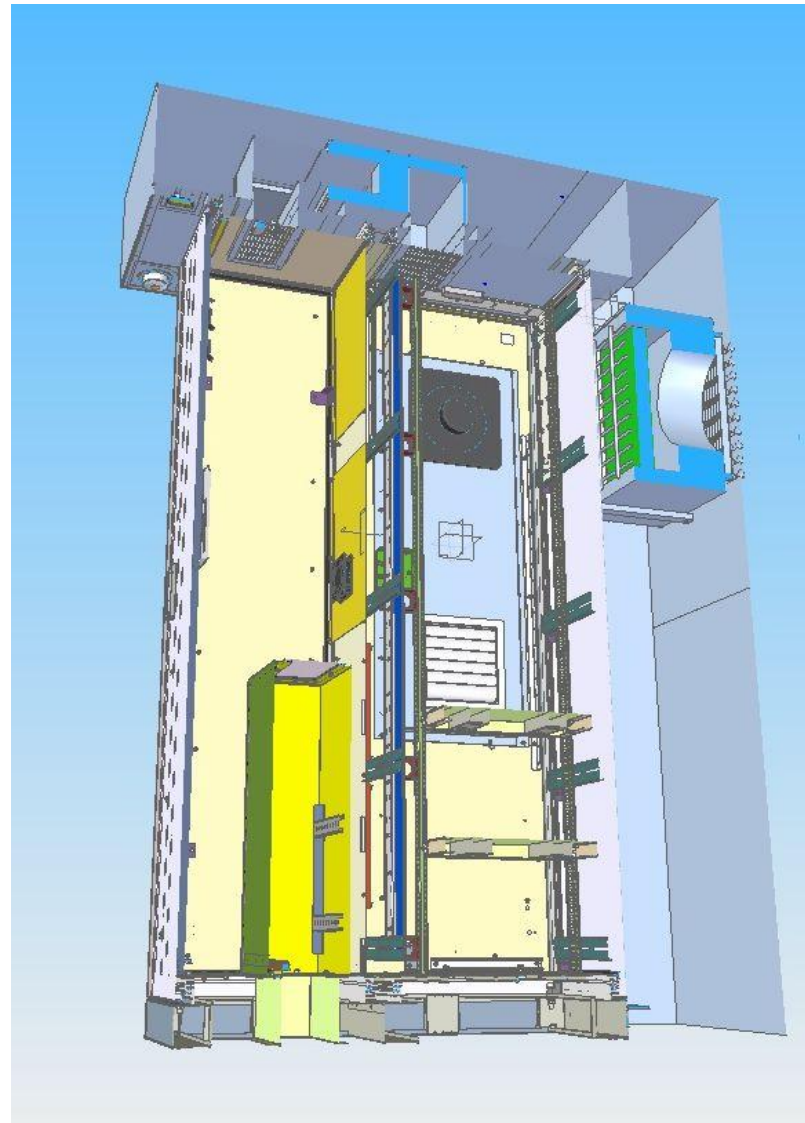

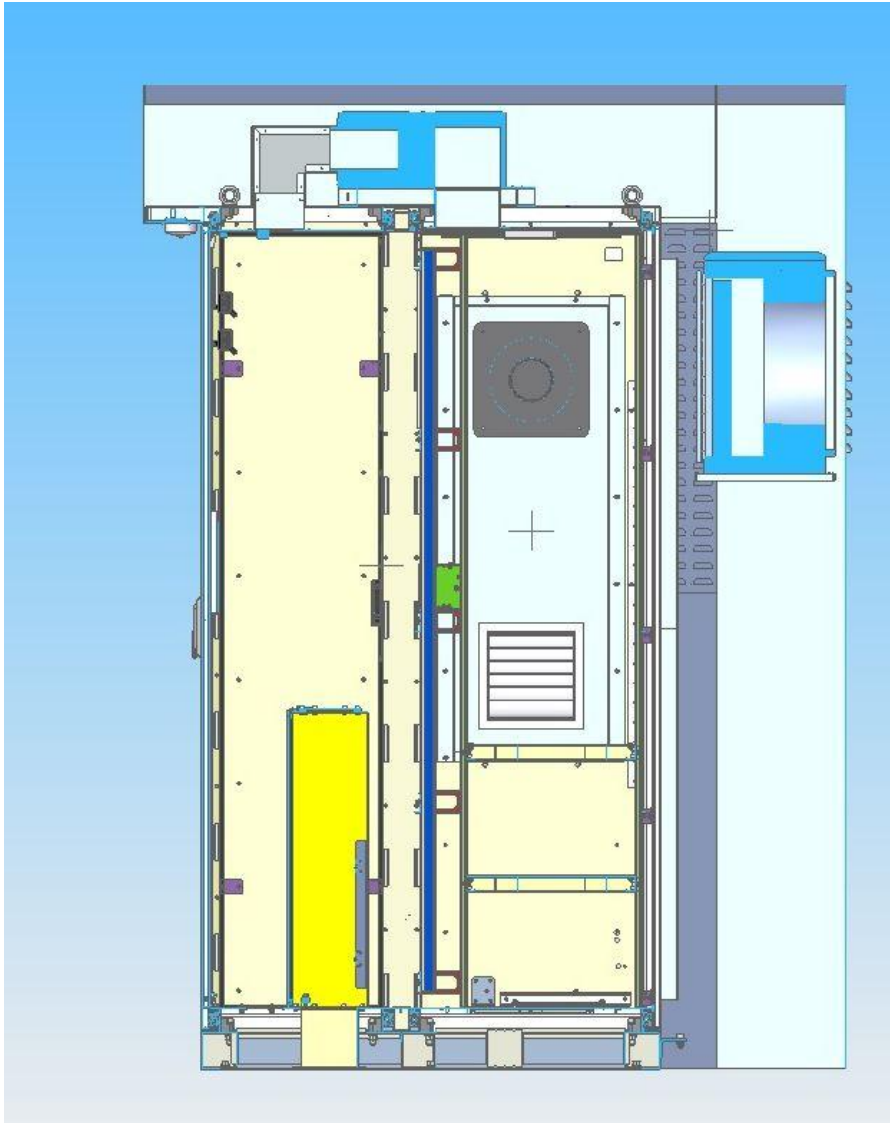

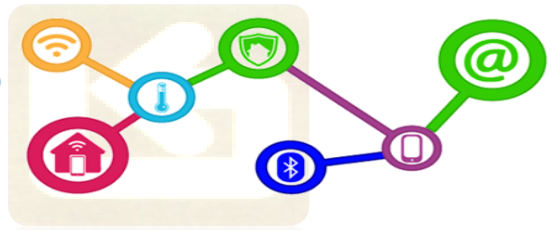

TOSOT-KONTASET IT Smart Data Cabinet

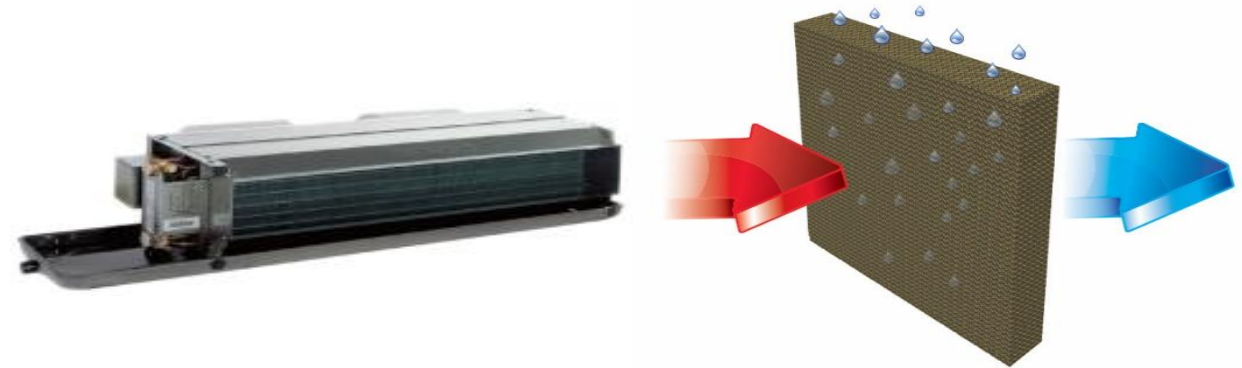

OUTDOOR SMART CABINETS air conditioning, air purifier, solar panel

TOSOT – KONTASET In-Row és Fan-Coil technology

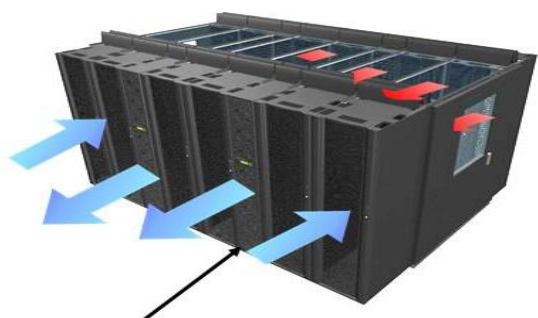

Hot Aisle vs. Cold Aisle Containment System

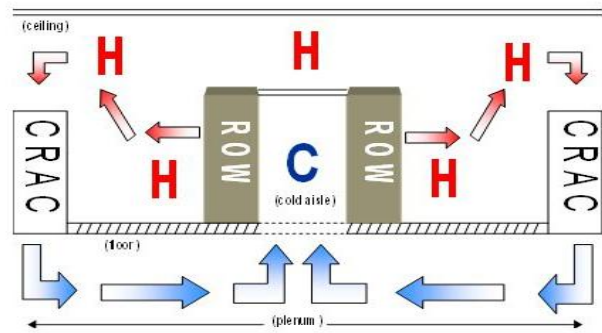

Both Methodologies prevent **Hot** and **Cold** Air streams from mixing
This improves predictability and efficiency of the cooling solution compare to traditional cooling

Hot Aisle contains Hot Air
Room operates as Cold air plenum

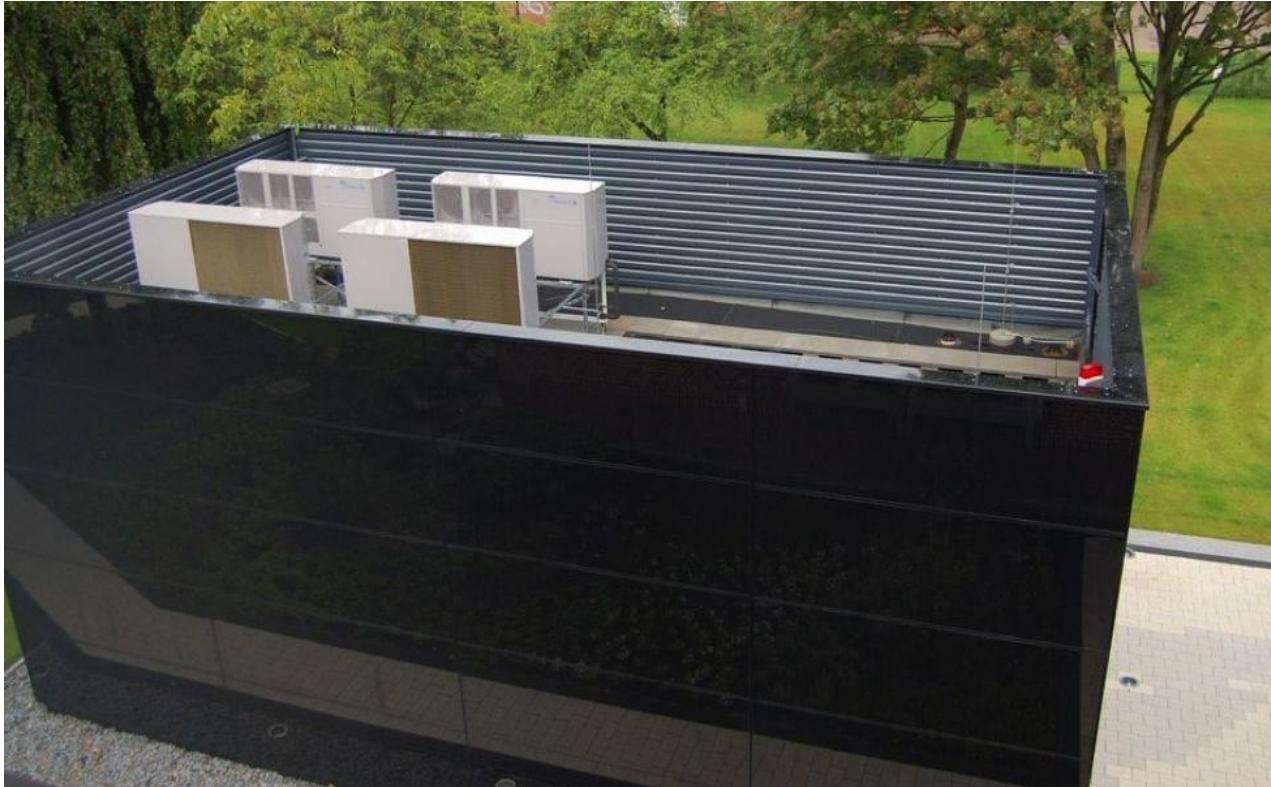

Cold Aisle contains Cold Air
Room operates as Hot air plenum

In-Row Cooling Unit

Air Conditioning, Air Purification, Humidification, Dehumidification, Lighting

Smart technical furniture – Kontaset - Custom Furniture - Custom Solutions
