WAY OF HEALTH

Dear Present and Future Clients,

Patella-96 Ltd. is the largest medical device supply wholesaler and manufacturer in Hungary today. Our enterprise has been growing continuously since its inception in 2001. Working with over 180 suppliers, we offer nearly 9000 products nationwide.

Every day, our crew of 50 works hard to satisfy our clients' requests. Delivering 1,100 items from our 3,600m² warehouse daily, we touch over 600 medical devices shops, shoe retailers and close to 1,500 pharmacies.

A number of our partners are flagship stores, who are committed to us for the efficacy and quality of our services. We feel that the secret of our success lies in our philosophy, by which our progress is based on the satisfaction of both our partners and their clients as well. To do this, we aim to fulfill all demands, from the typical to the extraordinary.

Detailed product information is at your fingertips at www.patella.hu. Item description, photo and prices are available under nearly 40 subcategories to our registered clients. We take extra steps to arrange our inventory to meet the needs of our marketplace and continuously offer novel and exciting products to stay ahead of our competition. Our portfolio contains products covered by National Health Insurance Fund of Hungary (NEAK) and non-supported items as well.

We have exclusive distribution agreement with several manufacturers (e.g. Scholl) and we offer our own brand also, under the GM and GMed names. Our products represent the latest advancements and most innovative rehabilitation and home care medical devices.

Our goal is to become the most trusted name in our marketplace and being recognized such as producer of excellent quality merchandise.

We continuously strive to fulfill your demands through our products and services, since for us -the PATELLA team- you are the most important.

"Patella is your partner in everything"

"Quality and technology for your health"

"Love every step – Scholl"
